Specialized In Training
Adobe Programs

Our Institute and Platform,INSPIRE ME

Inspire ME Institute is a specialized training and artistic production platform situated in the Hashemite Kingdom of Jordan, offering a diverse range of training courses both in-person and remotely online. Established in 2009 under the leadership of the international consultant and expert trainer, Medhat Eid, the institute is a pioneer in training graphic design technology and artificial intelligence for designers.

The institute specializes in providing preparatory and qualifying courses for passing Adobe's international exams to obtain professional certificates in various programs. It delivers training services in print and web graphic design, video

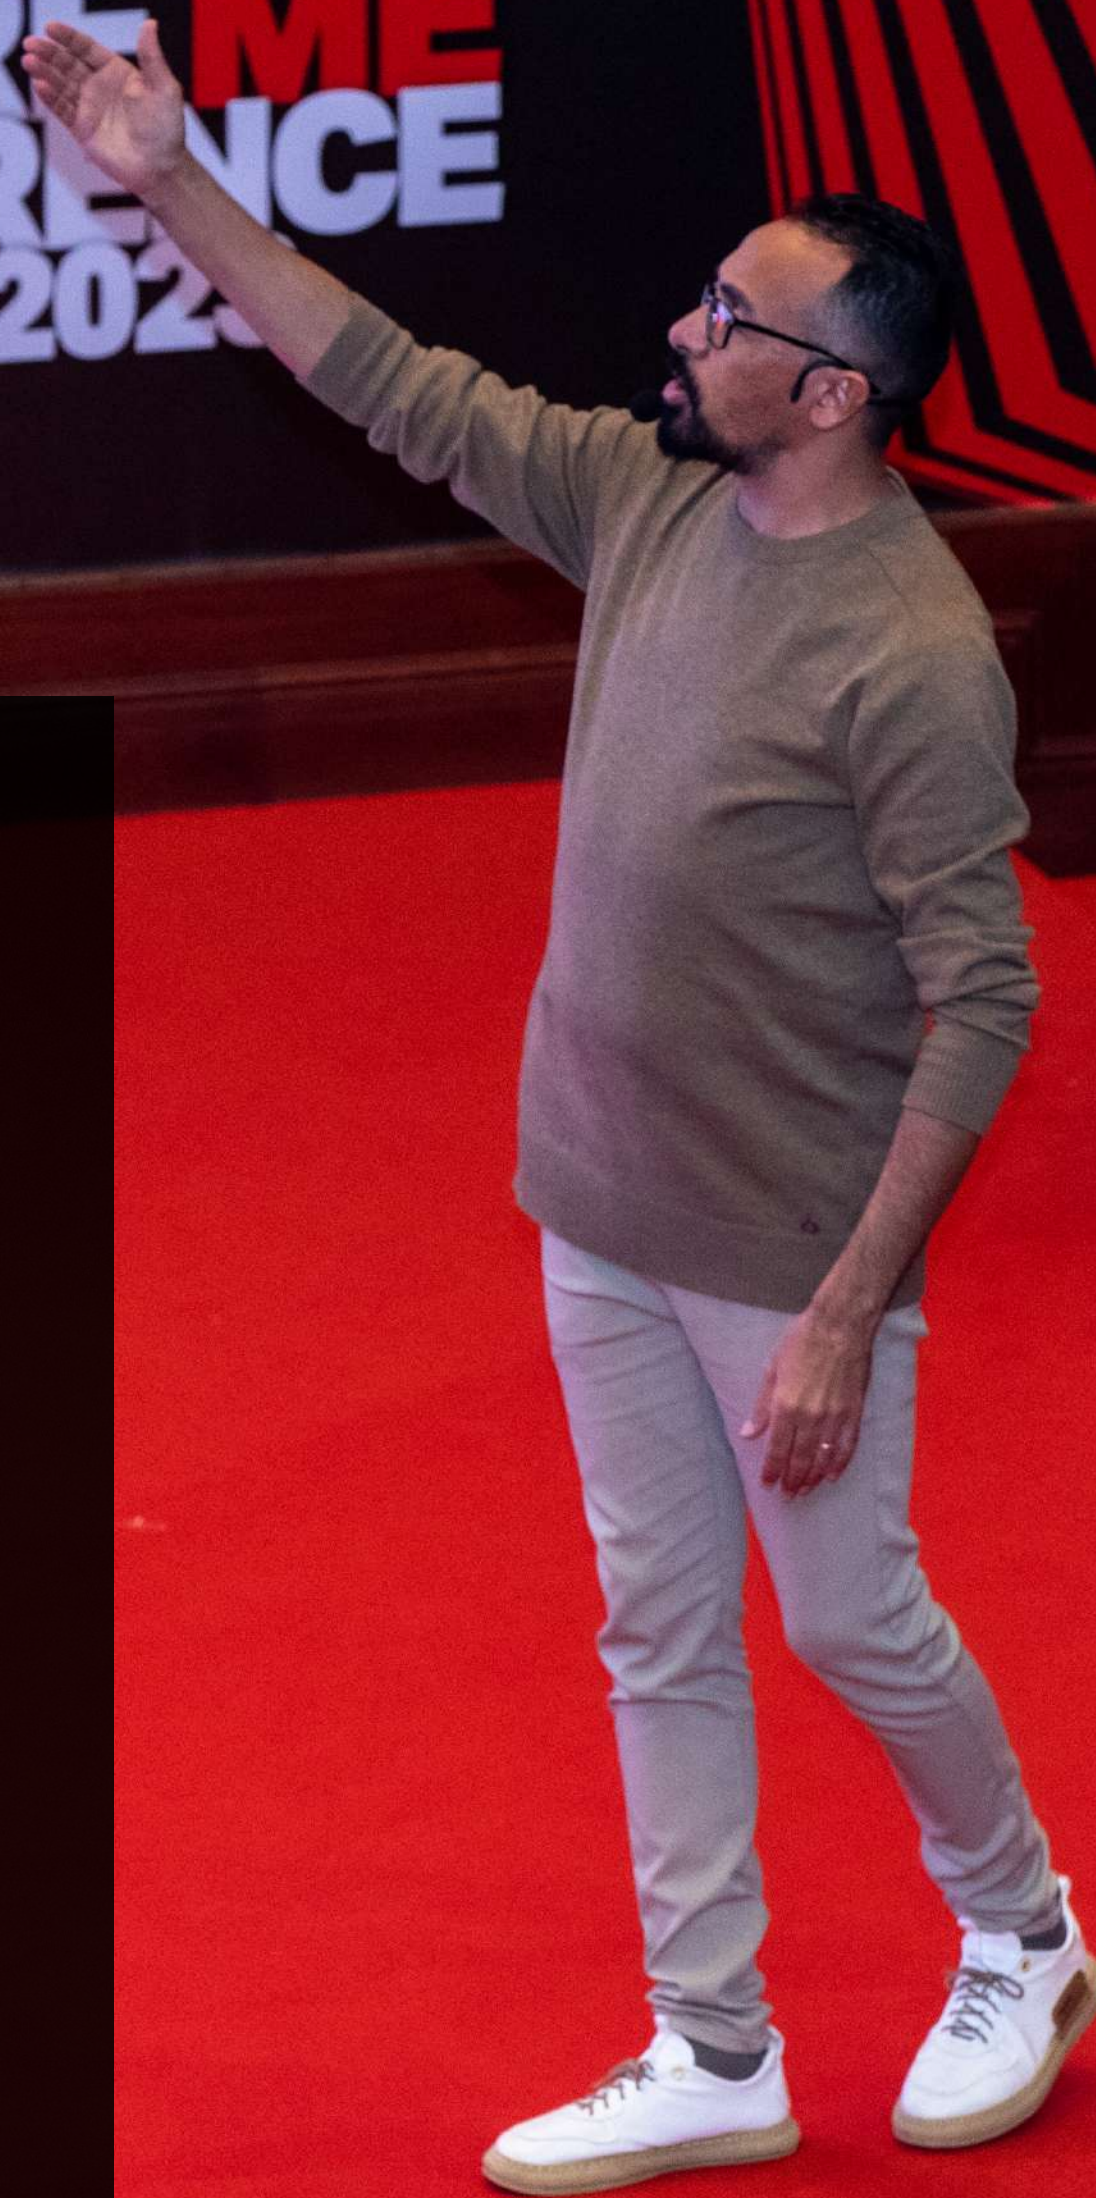

production, and creative arts.

Inspire ME is an authorized agent for Certiport, a global company specializing in providing international testing services for Adobe worldwide. It has successfully expanded its presence in several Arab countries as an accredited training platform for Adobe exams and a globally certified testing center, including the Hashemite Kingdom of Jordan, the Kingdom of Saudi Arabia, Iraq, Sultanate of Oman, and other countries.

Equipped with state-of-the-art training facilities, the institute assists in the employment of graduates who have completed professional courses.
